It has been estimated that 340 houses will be required to fund the land and kick start the funding for the building of the pool. MDDC have stated that the site meets their requirements in terms of planning but there are several more studies to be completed before the project can move forward including the formulation of a Business Plan for the ongoing capital and revenue costs. NHPSG voted to bring the plan forward with a view to having a completed document ready by the end of the year – some evidence requires strengthening and some needs to be updated. A new Regulation 14 consultation will be required together with gathering required paperwork for the Planning Inspector in due course. The Planning Inspectorate's scrutiny of the Mid Devon Local Plan continues with no published completion date.
