 - The steering group approved all these amendments and changes.
 - The Swimming pool policy had been updated and simplified in relation to advice from MDDC and locality to ensure it could not be legally challenged by planners or developers. The simplified policy and updated statement were agreed.
 - Agreed that Paul Weston will send the clerk (Steve Reardon) the full document and Steve Reardon will begin the process of formatting the document.
 - The final NHP document must look similar to the document that went to public consultation, but can have improved pictures graphics etc.
 - A new forward needs to be written by Michael Speirs and Gordon Guest.

- In the October 2017 version there was a white gap between the black text and the page colour band. In the October 2018 version the text merged with the colour band, please could this be changed.

- Once Town Council have agreed NHP document it needs to be emailed to MDDC.
- MDDC have indicated that whilst there are many changes relating to the NPPF (2018) these do not substantially change what the NHP is saying so there may be no need for a further regulation 14 consultation.
