Subject: The Mill Leat

Some months ago I contacted you regarding the degradation of the Cullompton Mill Leat. I assume the total lack of action by the town council shows that their concern for the Leat was false and they would rather it resembles an open sewer. I mentioned the problem with Tesco and you said you would deal with them. Most of Tesco's fence is now in the Leat and blocking it below the bridge in Middle Mill Lane. To compound this a pile of rubbish is now backing up behind the blockage as there is no longer a fence to prevent it leaving the slum that is the Tesco site. When applying for planning permission Tesco agreed to reinforce the planting and also keep the area free from rubbish. On both counts they have failed, the whole site is now a rubbish tip. It is time that the council got off their backsides and took action rather than just talking about it. I am not impressed.
